

FOR IMMEDIATE PRESS RELEASE

**Cozy Petal.
The Perfect Complement To Spa Luxury At Home**

Jersey City, NJ, January 2009 - It seems that with each passing year, it gets harder and harder to come up with new gift ideas to give to those who have everything.

We'll look no further than Cozy Petal's online store. A new eBoutique offering luxury spa inspired products and lounge-wear for women and kids. Cozy Petal is inspired by luxury spa relaxation and pampering that is unique, stylish and fun. Gifts to provide your loved ones for amazing lasting memories.

Watch a loved ones eyes light up, surprise that special someone and reward some hard working individual in your life with a heart warming gift from Cozy Petal.

So what's better than going to a spa yourself? Giving the joy of complete spa treatments to someone you care for. Now you can simply surf on Cozy Petal, and find exciting Gift Sets that create an experience to remember. Whether it's an in-home Spa Gift Basket or Luxury Spa Robe, Cozy Petal has perfect ideas for that special someone in your life. On top of treating someone you love to an unforgettable gift, you will be giving them the chance to transform themselves into an oasis of tranquility where they can escape and rejuvenate while turning their home into the ultimate Day Spa. Perfect alone, or with a group.

No need to fly off to some retreat or spend hundreds on a personal masseur? When all you need is at Cozy Petal. Delivering such elegant, pleasurable and luxurious experiences to consumers. Gift givers can select from an array of products that say "You deserve it" including: Luxury Spa and Bath products, Spa and Bridal Shower Gifts, Luxury Style Spa Robes, Spa Sleep Masks, Rhinestone as well as Bling Bling Flip Flops.

For the busy woman who deserves some time to reflect, indulge and re-energize choose from their selection of Spa and Aromatherapy products. Cozy Petal also carries a beautiful selection of intimate apparel, sleepwear, Lounge-wear and accessories designed to address all of its customers' pampering needs. Products can be purchased online at www.CozyPetal.com which carries many leading brands of spa and bath product lines that can help you relax, revitalize your heart and soul, and rejuvenate your senses.

"With the daily stress of woman, my company offers them a guilt-free way to relax with the home-spa experience. Cozy Petal also focuses on wellness lifestyle by offering natural and organic products." says Founder & Creative Director of Cozy Petal, Ellen Lau Zarrell, "I also feel that there is a way for women to lounge around in a stylish, fashionable way. I call our lounge-wear 'Lounge-Around-Wear' which are versatile to be worn at home and out."

Cozy Petal is establishing itself as a leading supplier of Spa and Bath products providing personal comfort for women who appreciate fashion, beauty, and a focused vision of excellence, taking pride in its dedication to its customers by offering the best quality merchandise.

Cozy Petal has big plans for the website in the months to come in 2009, adding fun new products and as well as participating in future Trade Shows across the country. Cozy Petal donates part of their sales proceeds to non-profit organizations.
